No Revenue Legislation.

tion asking if he would consent to write Wilson tailf and viring on Congress on the measure then, or at any fixed more taxabon. time. Then the smart gentlemun from Nebraska began to crawfish but was again impaled on the point of another Substitution if ator, who declared that this bill could be passed in afteen minutes if Alien and his See you get Carter's, triends would allow in. The inclicing is See you get Carter's, the Dingley bill, or any other revenue Ask for Carter's, measure not saddled with a free coloage amendment example, raise, at this revolve. Insist and demand Important only as It served to stow that

Dangeroug Zeal.

Commenting upon the performance of the Populist Sension of Nebrack', Mr. Allen, in calling up O a Dingley bill, the Boston Herell puts him on the says bladwident purpose was lo show the beancerly of the Republicant in dealing with the revenue question. In support that when Senator Aldrich asked Mr. Allen if he would vote for the bill after it had been considered, he promptly re-

piled:
"As it is now I would not, but you could easily out it is such shape that I would vote for it. What I want is to have you bring before this Coogress a permanent revenue measure."

This paragraph was printed by the Berald in quotation marks, thus con-veying the impression that Mr was the verbatim response of Senator Allea to the Equiry of Senator Algebra, Now, we would be pleased to know where the Berald secured its histomation. Certalely not from the news columns of the Herold, for in its report to the question of Senator Aldrich is makes Senator

of Senator Aldrich it inskes Smater Allei say:

"I suppose," Mr. Allen replied, "that the bill ought to be discussed a reasonable length of time."

Mr. Alleich "Will the Smater consent to take a vote on this bill now or at any time to be fixed?"

"It is idle to nek such a question," Mr. Alleichpild with sensor of theorisand that the Republican causes has absorded the bill?"

"That is not so," broke in Mr. Gullinger, of New Hampshire.

"We can pass the bill, in afteen minimes," said Mr. Aldrich, pr., the Senator and his friends will allow in to do it."

The only inference to Lo,drawn from The only inference to be drawn from

this is that the Bessid in its zend to get pend a rap at the R-publican term policy put in words into the mouth off the Populist in Senstor not used by him in the debate. At least if they were used they do not ! appear in the Heraid's report of his re-ply to the very perlaient inquiry of the nator I om RhodesIsland.

to this subject alone, President Cleve. land attacked the Federal 'revenue' system poder which in Lwenty seven lyears the United States and officed unrivaledprosperity, paid the expenses of a great war, extinguished a vast debt and advanced its credit to a 2 per cent, basis, borrowing money at a rate lower than any other country in the world.

Tho assault has utterly falled. After ten years President . Cleveland leaves office after an election in , which the aya tem be urged has been rejected by the NEW STORE. largest majority of our day. In the invaluer. Business depression bus bankrupted thousands and lett hundreds of thousands without employment. The STACY L. RUGEFS. . LEELEH, one-fifth to fone-third. His own party has been destroyed. . Its better element, President Claveland included has been forced to support the protective policy Walkhes, Clocks and levelty fieralized. he attacked and his representative caddidate. The tariff drawn along the policy laid down in his message has utterly failed to provide sufficient revenue to meet the expenses of the Government, Company Sand of the President Clevelands for of all the still Cauling efficers, and the deficit in the current il-cal year promises to reach \$60,000,000, and is in less than alx months \$10,000,000.

A decent regard for the death of all his hopes, the fallnie of all his prophe-cles and the fancral of all his ambittons should have led President Cleveland in his last annual message to silence or verseity. When the facts are against a man it is open to him to say nothing; J. A. Fairbanks. & Cos, but it is most nuwise, and in the Presi- 93 Cartral St., Nasiley Blook dent of the United States more than this. to endeavor by minutating the facts to

turn the edge of this damaging force, The Wilson tariff act, President Cleveland says, thus opened; the way to a freer and greater exchange of commodities between us and other countries, and thus furnished a wider market for our products and manufactures." This is not goods undersell loreign goods abroad, ut when Mr. Cleveland in the next line elies the increase of \$70,000,000 in the exports and \$48,000,000 to the imports of to \$1.00 is proof of his assertion; he is disingentue, to scent measure the year paters 61 year's exports were. \$6,000,000 less then two grars before, \$9,000,000 less then the Wet-year under, the MeKinley 19:000,000 leas "them the seco e for twoorts, the increase ansoured with the year before, imports except the last, With

on, when the expected

year in which the Wilson, tariff would that it would be \$30,000,000 it the locome tax thhed ales had not been declared erconstitutions .

Simple candor should have led President Cleve and to recommend more tax-ation. Thatead, he proposes to meet the deficit from the "surplas." What is the "surplus?" An excess of rovesus re-celpts over expenditure; ? Not at all. The Dingley bill came before the It is all that is left, after spending over Serate it an unexpected manner Wed- one-half of bonds sold to the amount of nesday. The voluble Mr. Allen from \$262,000,000 to meet ordinary expenses. Nebraska called it up, apparently as a. This is his "surplus" (\$78,000,000) The result of the silver conference. The fifty Tressuary has put notes on the market, results the control of the control o withstanding the fact that it has just it could treat the proceeds of its roles no been buried under a tremendous adverse "sprines" and make no account of the majority, the extent of which would have notes. A hopoi dargerous financial been even more pronounced but for the proposition was never made. The first traudulent methods employed in several President upon history who has paid of the Southern States. It was not with expenses in pears by long-time bonds, any intention of passing the bill that it President Cleveland has co better remedy was called up, but the performance was for a diffelt than to continue this policy evidently intended to afford the silver | Such advice la the deliberate proposal men an opportunity to appeared in a of notions bankruptey. A Government somewhat bombastic manner that they must pay its way. Any other course is were doing business at the old stand. Suicide. For a generation to come the The Nebraska Scuator, in whose Popu- United States will not have seen the last. listic brain the idea seemed to have of the evil policy of paying ordinary exlodged that he was putting the Republi- penditure by discounting his notes which cans in "a hole," was 'himself, bowled President Clevel and has practiced, deever by Senator Aldrich, who exposed fended and now urges in preference to his cheap demagogiam by a direct ques- frankly confessing the failure of the
